He has also worked as an Arabic language instructor for the UW - Green Bay, a Grant Project Manager for UWGB Phuture Phoenix, and an Arabic and Russian language instructor for St. Norbert College in De Pere, Wisconsin. He served 14 years active duty in the United States Army and holds a Master's of Science Degree in Applied Leadership in Teaching and Learning from UW - Green Bay.

Louise Wilson

School Nursing and Health Services
Consultant
WI Dept. of Public Instruction
(608) 266-8857
louise.wilson@dpi.wi.gov
Louise is the State School Nursing/Health Services Consultant for the Wisconsin Department of Public Instruction. She has held this position for three years. Prior to that she was a school nurse for 25 years and established School Health Services in that district. Louise is a past president of the Wisconsin Association of School Nurses and just recently completed a four year term on the board of directors for the National Association of School Nurses. Louise's vision is to provide quality and collaborative healthcare services in Wisconsin schools so that students learn and develop to their full potential. Meeting health needs and student safety is her passion.

Janice Zmrazek

School Administration Consultant
WI Dept. of Public Instruction
(608) 266-2803
Janice.Zmrazek@dpi.wi.gov
Janice is currently the transportation consultant at the DPI, responsible for answering questions about district authority and requirements, and student rights and responsibilities, related to public and private school bussing. Other responsibilities include school district reorganization, private schools, school facilities, and school board operations. Janice has been with the DPI 32 years and in that time has also done work related to SAGE and Title I, as well as assignments varying from public library systems to the equalization aid formula.
