

WASBO Regionals

WASBO has seven regional groups that meet anywhere from quarterly to monthly. Each regional group sets their own meeting schedule and agendas. Click on the name of the regional group below to find contact information for the regional rep and information on where and when they meet. Go to the WASBO Calendar to find specific information on meeting times, locations, and agendas.

Please note: The Regional Meetings are generally intended for school district employees only. Each regional group sets their own agenda items, and some topics may be of a confidential nature. Service Affiliate Members should contact the Regional Representative to receive permission to attend meetings, when the agenda is appropriate. Please contact the specific Regional Representative for more information.
