**JFC Hearings on State Budget begin Friday**  
**By John Forester, SAA Executive Director**

The Joint Finance Committee plans to hold four public hearings on the Governor's 2021-23 State Budget beginning with the first one this Friday. The first three hearings listed are in-person hearings. The final hearing will be virtual. Here are the hearings:

- Friday, April 9 - UW-Whitewater, Whitewater, WI
- Wednesday, April 21 - The Hodag Dome, Rhinelander, WI
- Thursday, April 22 - UW-Stout, Menomonie, WI
- Wednesday, April 28 - Virtual

The School Administrators Alliance will forward additional information about these hearings as it becomes available. It is extremely important for administrators, board members and parents to show up at these hearings to advocate strongly on behalf of the children we serve. Those SAA members interested in testifying at one of these four hearings should let me know so I can help to coordinate the arrangements for your testimony.

We need a strong showing at the JFC budget hearings. If you have questions about testifying, please call me (John Forester) at 608-242-1370.

Here are two recent budget budget advocacy examples from [Medford Area Public School District](#) and [Iola-Scandinavia School District](#) created by Audra Brooks and Sarah Thiel.
